

Valley System Fusion Repeaters

Have you had the chance to operate digital with your Yaesu handheld, mobile, or base station yet? There are several System Fusion repeaters in the Valley that you can access. Some are also Wires-X capable.

The West Valley ARC's website has an informative "Digital" page with several videos:

<https://westvalleyarc.com/wvarc-digital>

Important: This list is not all inclusive:

FREQUENCY / NAME FM PL TONE / COMMENT
